宋元丰四年正月二十一日
苏东坡的一次团风之行，改变了什么？

On the 21st day of the first lunar month in the fourth year of the Yuanfeng reign of the Song Dynasty,
What changes were brought about by Su Dongpo's trip to Tuangfeng?

第壹章 茫然（残香）

团风的月光，曾接住东坡跌落的魂魄。
元丰四年，东坡夜宿团风，
一梦飘摇间，一尊残破的佛像似有言语。

The moonlight of the group wind once caught the soul of the falling Dongpo.
In the fourth year of Yuanfeng, Dongpo stayed overnight in Tuanfeng,
In a dream, a broken Buddha statue seems to have words.

第贰章 自救（新火）

翌日过岐亭，裂痕斑驳的罗汉像静置荒庙
左臂盘龙尚在吐云，右肩伏虎犹存生气，
可那张脸，竟与梦中一般破碎支离。
谪贬人看见残破的佛面，如看见支离的自己

The next day, I passed by Qiting. The arhat statue with mottled cracks stood still in the desolate temple.
The coiling dragon on the left arm was still exhaling clouds, and the crouching tiger on the right shoulder still retained a sense of vitality.
However, that face was as shattered and fragmented as the one in my dream.
The exiled person, upon seeing the broken face of the Buddha, felt as if he was looking at his own fragmented self.

超脱（余烬） 第叁章

载像归黄州，刀凿斧修三日
补的是泥胎金身，剜的是心头块垒
破颜修复间，贬谪人展颜微笑
见山不是山的困顿，终成见山还是山的澄明
表里翕然，无所附丽，平芜尽处是春山

The image returned to Huangzhou, and the knife and axe were repaired for
three days
What is made up is the golden body of the mud fetus, and what is stripped is
the heart block.

In the repair room, the degraded people show their faces and smile
Seeing the mountain is not the difficulty of the mountain, and finally seeing
the mountain is still the clarity of the mountain.
The outside is clear, there is nothing to attach to the beauty, and the end of
the flat is the spring mountain.

烛火焚尽，照见「人生如梦」的顿悟
沉香氤氲，浸透「也无风雨」的禅机
而今，800年烟雨香风载着一代名士的豁达
当代人荒芜的心原，竹影松风被重新种下

RECONSTRUCT A NEW
LIFE

When the candle flame burns out, it reveals the sudden realization that "life is but a dream".
The dense fragrance of agarwood permeates, soaking in the Zen wisdom of "no matter the wind or rain".
Nowadays, the misty rain and fragrant breeze over the past 800 years carry the open-mindedness of a generation of renowned scholars.
In the barren spiritual realm of contemporary people, the shadows of bamboos and the winds among the pines are replanted.

香聚苏轼魂

“贬谪之苦” 转化为 “破立之悟”

The fragrance converges the spirit of Su Shi.
It transforms the "suffering of banishment" into the "enlightenment of destruction and establishment".

MISTY RAIN OVER QISHAN MOUNTAIN

[一蓑烟雨渡的，原是自己的江河]

以香插山形拟东坡夜宿团风所走的路，烟迹摹写心境流转。粗糙肌理似命途坎坷，大开大合的江海寄余生的潇洒意象。当香柱倾斜插入时，恰如逆旅中躬身前行的剪影，烟火愈险峻，照见愈清明。

Using an incense holder in the shape of mountains to imitate the path that Su Dongpo walked when he stayed overnight in Tuanfeng at night, the traces of the incense smoke trace the flow of the state of mind. The rough texture is like the bumpy journey of life, presenting the unrestrained imagery of spending the remaining life by the vast rivers and seas with great emotional fluctuations. When the incense stick is inserted at an angle, it is just like the silhouette of a person bending forward on a difficult journey. The more perilous the smoke and fire are, the clearer one's understanding becomes.

FORMER FORMULA OF THE TWOSUS

[与君今世为兄弟，又结来生未了因]

《宋史·苏辙传》：“辙与兄进退出处，无不相同。患难之中，友爱弥笃。无少怨尤，近古罕见。”

载于陈云君先生的《燕居香语》，为了纪念苏轼和苏辙的才气和兄弟情深，追忆宋代香事胜景。此香生闻时，有花果香扑鼻，还有细微的乳香的清甜，沉檀的安稳。花香随风飘散后乳香的甜蜜清扬投发，随之沉香檀香带来草木的气息，乳香，琥珀透出隐隐甘甜，儒雅清扬。

[由清苦到甘甜的雅馥甜香]

初喷时是刺痛の清醒——佛手柑の酸锐撕开梦境，
艾草灰烬如命运的重拳击碎旧我；
待乳香裹挟雪松浮起，仿佛看见自己一凿一斧修补残缺，
最终沉香托着檀香沉降，方知当年补的是佛像，愈的是己。

When first sprayed, it brings a stinging clarity. The sharp sourness of bergamot tears through the dream, while the ashes of mugwort, like a heavy blow of fate, shatter the old self; When frankincense swirls up along with the scent of cedar, it's as if one can see oneself mending the imperfections bit by bit, chisel by chisel and axe by axe. Finally, when the agarwood and sandalwood settle, one comes to realize that what was mended back then was the Buddha statue, and what was healed was oneself.

DIFFUSER LAMP

[残缺是金身·明灭即顿悟]

青灰石膏塑罗汉闭目禅坐之态，灯起时，暖光自残破处渗出，

千年前东坡指尖抚过的裂痕，此刻化作吞吐烟云的河。

你滴入的每一滴香露，都是拭去尘霜的手——

当沉香浸润裂纹漫溯而上，残像低垂处忽有光晕流转，

照见众生相：残缺是金身，明灭即顿悟。

The greenish-grey gypsum sculptures depict the Arhat sitting in meditation with eyes closed. When the lamp is turned on, the warm light seeps out from the broken parts. The cracks that Su Dongpo's fingertips caressed thousands of years ago now turn into a river that breathes out wisps of smoke. Every drop of the fragrant liquid you drip is like a hand wiping away the dust and frost.

When the agarwood soaks into the cracks and spreads upwards, a halo suddenly shimmers at the drooping part of the incomplete statue. It reveals the appearances of all living beings: Imperfection is the golden body, and the flickering light is the moment of sudden enlightenment.

The Narrative of the Land

劳作的延续

The Continuation of Labor

土地是最诚实的典籍。当季风翻动大别山的褶皱时。那些被农人跪着播种的田垄，最终站立成撑起天地的象形文字——弯腰的姿态，是大地教给人类的第一种书写。我们以稻芒为笔，这片热土的子民，将二十四节气的所有故事，在被编织般的田野间书画千年。当山河在包装盒上拓印出永恒的指纹，您便读懂了：所谓匠作，不过是土地借人类手掌完成的，一场持续五千年的温柔生长。

The land is the most honest book. When the monsoon stirs the folds of the Dabie Mountains, those ridges sown by farmers on their knees eventually stand up like pictographic characters that prop up the sky and the earth. The posture of bending over is the first form of writing that the earth has taught mankind. Taking the wheat awns as our brushes, the people of this warm and fertile land have painted and written all the stories of the twenty-four solar terms in the fields that seem to be woven together for thousands of years. When the mountains and rivers leave an eternal fingerprint on the packaging box, you will understand that the so-called craftsmanship is nothing but a gentle growth that has persisted for five thousand years, accomplished by the land through the hands of human beings.

The old dough sleeps in the earthenware jar for three days and nights. When it wakes up, it exudes the most authentic mellow fragrance of wheat. The caramel-colored crust baked in the earthen stove with firewood wraps the soft and fluffy inner core like clouds. 「清风徐来 福运自来」

取材百丈崖古村老竹，由当地匠人手工编织，一扇轻摇，舒沐团风——从明清厚土到露营青年的欢歌，皆在掌中清风。

Made from the old bamboo in Baizhangya Ancient Village and hand-woven by local craftsmen, with just a gentle shake of this fan, you can enjoy the comfort of Tuanfeng. From the profound heritage of the Ming and Qing dynasties to the cheerful songs of young campers, all are embraced within the refreshing breeze in your palm.

跃境飞盘

「掷出弧线，圈住自由」

让飞盘跃过库区、穿行林海——重力？在这里失效！飞盘表面彩印牛车河露营基地、大崎山森林步道、百丈崖古民居三大场景，盘底暗刻“嗨野密码”：“0（零压力）—80.5（环库公路里程）—1040.8（龙王顶海拔）”。

Let the frisbee soar over the reservoir area and pass through the forest sea — here, gravity seems to lose its effect! The surface of the frisbee is color-printed with three major scenes: the Niuchache River Camping Base, the Daqishan Mountain Forest Trail, and the ancient dwellings in Baizhangya. Engraved subtly at the bottom of the frisbee are the "Hi-Wild Codes": "0 (zero pressure) — 80.5 (the mileage of the Huanhu Highway) — 1040.8 (the altitude of Longwangding Peak)."

翻开乡愁笔记的刹那, 团风的稻浪在纸间翻涌, 老屋的炊烟氤氲了横线, 关于农事的诗文化作页眉暗纹, 让每一笔记录都带着泥土的温度, 这是属于中国人的记忆密码本, 用农民画的斑斓色彩, 封印正在消逝的田园牧歌。我们用非遗农民画的拙朴笔触, 在168页素纸上, 重建一座纸上的故乡。

The moment you open the Nostalgia Notes, the waves of rice fields in Tuanfeng seem to surge between the pages. The wisps of cooking smoke rising from the old houses seem to permeate the ruled lines. The poetic culture related to farming turns into the hidden pattern on the header, endowing every record with the warmth of the soil. This is a memory codebook belonging to the Chinese people. With the colorful hues of peasant paintings, it seals up the idyllic pastoral songs that are fading away. Using the simple and unadorned strokes of the intangible cultural heritage peasant paintings, we are rebuilding a hometown on this plain

当李四光跨越英吉利海峡归来，行李箱装满的不是英镑珠宝，而是4932块中国岩芯样本，现在，我们把这份赤诚化作：黄铁矿少年眼里的星火，煤炭小姐逆鳞的温度，萤石精灵发梢的星光，每拆开一个盲盒，都是打开一封穿越时空的「石头情书」，让科学家的热血，温暖你掌心的寒武纪。

When Li Siguang returned across the English Channel, his suitcase was not filled with pounds or jewels, but 4,932 pieces of Chinese rock core samples. Now, we've transformed this sincere devotion into: the sparkles in the eyes of the Pyrite Boy, the warmth of the Coal Miss's reverse scales, and the starlight in the hair of the Fluorite Fairy. Every time you open a mystery box, it's like opening a "love letter from stones" that travels through time, allowing the passion of the scientist to warm the Cambrian in the palm of your hand.

黄冈名人拾趣

超时空对话·突破次元壁

A dialogue beyond time and space, breaking through the dimensional wall.

本系列以湖北黄州的历史文化为根基，选取苏轼、毕昇、程颢、程颐、李时珍、万密斋、余三胜几位与黄州渊源深厚的名人，跨越宋、明、清三朝，涵盖文学、科技、医学、哲学、戏曲等多领域。

设计旨在以亚克力扭蛋机、立牌、表情包为载体，将传统人物符号转化为现代潮流语言——通过Q版造型和互动玩法，打破历史距离感，让文化“活”于日常。产品兼顾审美趣味与教育价值，既展现黄州作为人文重镇的精神内核，亦为年轻群体提供触摸历史的新方式。

This series is rooted in the history and culture of Huangzhou, Hubei. It selects several renowned figures who have a deep connection with Huangzhou, including Su Shi, Bi Sheng, Cheng Hao, Cheng Yi, Li Shizhen, Wan Mizhai, and Yu Sansheng. Spanning across the Song, Ming, and Qing dynasties, it covers various fields such as literature, science and technology, medicine, philosophy, and traditional Chinese opera.

The design aims to use acrylic gashapon machines, stand-up signs, and emoticons as carriers to transform traditional character symbols into modern trendy language. Through Q-version character designs and interactive gameplay, it breaks down the sense of historical distance and makes the culture come alive in daily life. The products balance aesthetic appeal and educational value. They not only showcase the spiritual core of Huangzhou as a cultural and intellectual hub but also provide the younger generation with a new way to touch history.
